

# ANNUAL DRAMA & VOCAL PERFORMANCE

## SATURDAY 27<sup>TH</sup> SEPTEMBER 2008 2PM & 7PM

### ~ FINAL INFORMATION GUIDE ~

With %ocarama+ (Vocal & Drama Performance) on this weekend, please find below all the final details that you need. If you have any questions, please do not hesitate to contact us. We would greatly appreciate questions NOW rather than on the day when it gets VERY tricky to please and accommodate everyone. 02 9966 5013.

In the case of an emergency on the day, please call 0412 618 214. The office will not be open as all staff will be at the theatre.

%ocarama+ is designed to give students an opportunity to display their developing skills as performers, writers, directors and designers. The majority of drama work you will see is student devised with a little assistance from KPG teachers.

We encourage you to stay for the entire performance. Younger students who finish at interval can watch the second half of the programme which they will enjoy. Obviously if they are tired, they can go home once signed out.

#### **Address of Performance.**

*Glen Street Theatre – Glen Street, Belrose.*

*Map: <http://www.whereis.com/nsw/fr enchs-forest/blackbutts-rd?id=3152BB0755C66D>*

Free parking is available at the theatre (front & back). There is also a large parking lot at Glenrose shopping centre across the road from the theatre. Parking is also available on the street.

#### **Cast party for all cast.**

There is no official cast party organized after the performance. The KPG Christmas party acts as the official after show party for drama night and the annual concert. Students, parents, siblings, friends and staff are all invited to this event.

As there are a lot of over 18s involved in the show, KPG takes NO responsibility for cast members throwing or attending any after show events.

#### **Content**

All material performed in the 2pm performance is suitable for an all-ages audience. We wish to advise that the content in the 7pm performance may not be suitable for a younger audience as it contains language and adult themes. Parental discretion is advised. Having said that, we would like drama students to see what the drama companies present. If you are unsure, please call the office to discuss this.

#### **Copyright and video cameras**

In compliance with Copyright regulations, we wish to advise that the video or audio taping of the performance or any part thereof is strictly prohibited. We have obtained a copyright license for the performance, which prohibits recording of any kind (except by those who hold a valid copyright license). So please help us to help others within the industry (the artists whose music and materials we are using) by respecting this and leaving the video camera AT HOME! An archive copy will be taken of the performance and shown to students for educational purposes only. We cannot duplicate it, so please do not ask us as we simply can't do it.

#### Costumes

The attached run sheet and description of each item lists the clothes students will wear. To keep costs down for parents, we have opted for KPG uniform for most pieces. If you are unsure what your child needs after reading the list, please call us.

#### Drop Off & Pick Up at Glen St – Stage Door Directions

Please follow the signs to the Stage Door, this is located around the side of the theatre. If you are standing in the front car park (the one in front of the theatre) walk to the left and around the theatre building and you will see a ramp. There will be sign-in lists there and the supervision staff will be waiting to greet students. Please be on time, so that students can get ready as a group. Late arrivals make it difficult to supervise, as students are all taken upstairs.

### ~ FINAL INFORMATION GUIDE ~

#### **Make-up and hair.**

##### *Females*

All make-up and hair should be done by students PRIOR to arriving at the theatre.

All female cast should come with foundation (one shade darker than their skin tone), a little bit of blush, mascara, eyeliner and lipstick (pink/red). The lights tend to wash them out a little, so they need enough makeup to be seen, but not so they look cheap.

Hair should be in a high ponytail, or at least off their faces depending on hair length and please NO fringes. Please use hair spray or gel to keep it off their faces. They need to look neat and tidy.

##### *Males*

All make-up and hair should be done by students PRIOR to arriving at the theatre.

Boys should have their hair in a funky style, please call us if you are unsure.

All male cast should come with foundation (one shade darker than their skin tone), a little bit of blush, and a natural lipstick. The lights tend to wash them out a little, so they need enough makeup to be seen, but not so they look cheap.
